

DISPLAY VANS AND TRAILERS

On the Move...
Invest in a Display Van or
Display Trailer to exhibit your
company's products and services

Barrett Displays has 30 years experience designing and building mobile display vans and trailers.

Perfect for travelling displays and community education, our display vans and trailers have proven to be an unprecedented success for being cost effective and creating widespread impact.

These mobile units which can be part of the body of a vehicle or towed come with optional canopies, sign boards, brochure holders, computer compartments, information stands or storage areas.

Some of our satisfied customers who have a Barrett Displays mobile display van or trailer include the *Water Corporation, WA Police Service, Cresco Fertilisers* and the *Ministry of Fair Trading*

PROMOTIONAL FLOATS

Barrett Displays' talents in production of promotional vehicles extends to building Floats. Our company's most recent masterpiece in Float design and manufacturing is Western Australia's Centenary of Federation Float. This spectacular vehicle is in parades throughout Australia in 2001 and beyond to showcase the State of Western Australia and the master craftsmanship of Barrett Displays.
